To the Class of 1964 -

Congratulations on your successful completion of four years of high school. As much as you might dislike the word "education" - this word will follow you each and every day of your life. It doesn't make any difference what you do - every day you will learn. Don't close your mind to this process but be ever inquiring - don't accept all things - ask why - investigate - all day, every day. Speaking of days, let me quote from Thomas Edison:

"I am glad that the eight hour day had not been invented when I was a young man. If my life had been made up of eight hour days, I do not believe I could have accomplished a great deal. This country could not amount to as much as it does if the young men of fifty years ago had been afraid that they might earn more than they were paid."

I would urge you to heed these words of Edison, if our nation is to maintain her high and deserved place of dignity and respect in the world. I'm sure that the Class of 1964 will do its utmost to contribute!!

May I wish you all the luck in the world. Come back and see us - the doors are always open!!

American Field Service Foreign Exchange Student

In general I would like to say that I found fewer differences between America and Europe than I had expected. We people on both sides of the Atlantic have the same amusements, problems, and enemy: communism. But in the daily life I had to get used to the kind of relationships between boys and girls, to some dishes such as hot dogs and hamburgers (I got used too much to those!), and to the dances which demand a great deal of skill and know-how. I learned to handle and kick the egg-shaped ball and was introduced to the American school system. But I found here a friendliness towards foreigners and a feeling of and for the community which is unknown in Europe.

Class History

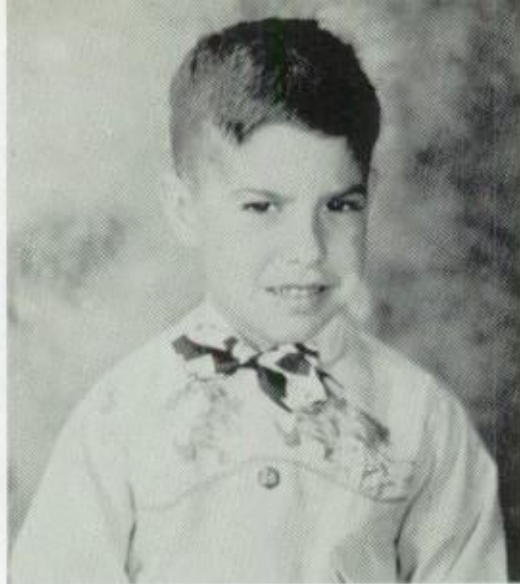

In June the Class of 1964 will leave the halls of C.C.S. We take with us fond memories of friends and the past thirteen years. As the first kindergarten class in 1951, we have watched our school grow as we have grown. Those years are behind us, but we automatically think back upon them as the most rewarding years of our lives when we learned to accept responsibility and began to live with the world around us.

We recall how we raced from grade to grade until we finally reached the glorious realm of high school life. We attended our first high school dances and sponsored our own. Our junior year was complete with our prom, "Paris in the Springtime," and our play, "The Family Nobody Wanted." Our senior ball has been deemed a success and we are looking forward to our last few months at C.C.S.

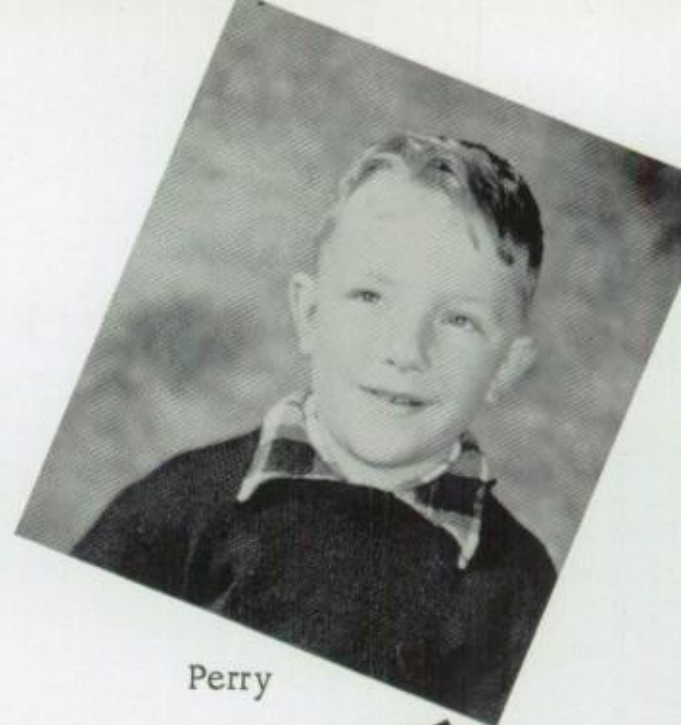

As seniors we have accomplished much of the work expected of us by our teachers and parents. It is now up to us to enter into today's world as mature adults with a firm education behind us. We have received that education here and only hope that we can do as much in our separate careers as C.C.S. has done for us.

A 4-3 record in the Washington County League by the 1963 football Indians showed a great improvement over the previous year's final mark of 1-6. The main factors involved in the difference were the new coach, who brought with him a playbook with the old "T" formations instead of the unbalanced line, the return of several lettermen with experience, the unexpected development of several other boys, and the Indians' reputation of having the fastest backfield in the league. However, lacking on the team was any considerable weight (the line averaged only about 165 lbs.) and, therefore, the Orange and Black had to settle for third place.

The 1963-1964 Indian cagers, playing a twelve game Washington County League schedule along with five non-league tilts, finished the season 4-8 in the conference and 7-10 overall. The entire season was marked by strange and interesting incidents, some which the Indians welcomed, others which they could hardly favor.

For example, the Orange and Black opened the new gym the last game of the season, only to be edged out by Stillwater. Earlier in the year, a rare Wednesday night game saw the Injuns drop a triple overtime affair to Williamstown 103-97. Cambridge compiled ninety-nine points at Greenwich in keeping up with the fast pace instigated by the Witches who substituted two evenly balanced squads every four minutes. Probably the most "cliff-hanging" game was the victory at Stillwater when Tom Parsley hit for a pair of free throws after time had run out giving the Indians a 48-46 win.

The high individual point output was by Rich MacDougall, thirty-two against Williamstown, who also took the total points and high average honors; he teamed with Allan Wallace in the guard positions. Tom Parsley, the captain, and Darryl Decker were the starting forwards, and Greg Dickson was the first string center, being backed up by Bob Harrington (who came up from the jayvee's after five games). Tim White and Rich Eddy were the mainstays of the bench, supported by Frank Ludwick, Mike Meagher, Karl Rogge, and Tom Severson.

Jan. 10	Salem, won	42-32	Feb. 21	at Salem, lost	70-53
	Feb. 28	Stillwater, lost		63-47	

The junior varsity basketball squad had a little more luck than the varsity, winning ten of its seventeen games, and ending with a 7-5 WCL record. Bob Harrington was the big man for the Little Indians before he moved up to varsity, and Jim Blanchfield did a good job in filling in the center position. Bob Radley and Roger Holcomb were the first string forwards, and Larry Doxsey and Lee Peabody started in the backcourt. John Langer, Charlie Ackley, and Jeff Ashworth played well in coming off the bench.

Ski Team

SEATED: P. Morse, S. Morse; STANDING: J. King, C. Ross, J. Manhart, J. Romack, D. Craig.

The Cambridge Central ski team, led by co-captains Stephen and Peter Morse, had a relatively successful 1963-64 season. The team twice placed second in the four all-state meets which were held at Saranac Lake, Johnstown, Tupper Lake, and Lake Placid. Old Forge's ski team was responsible for edging out Cambridge at Saranac Lake and Johnstown, and C.C.S. placed fourth at Tupper Lake and fifth at Lake Placid. All of the meets saw eight or more different schools in competition.

There were two meets at Willard Mountain in both of which Cambridge captured the #1 spot. The first was the Willard Mountain Invitational on December 28-29, and the second the Burnt Hills meet. Cambridge also traveled to Cooperstown and placed third in a less important meet.

Teaming with the Morses on the ski club were David Craig, John King, Joe Manhart, John Romack, and Beaver Ross, all of whom were responsible for the favorable season.

Wrestling Team

ROW 1: L. Peters, J. Roy, G. Ridler, P. Adams, W. Saunders, R. Wilwol; ROW 2: B. Squiers, W. Hatch, H. Browe, E. Hunt, L. Bennett; ROW 3: W. Watkins, P. Virtue, T. Moore; ROW 4: G. Aiken, Mr. Tesar, L. Telford.

Starting out with only six members, Cambridge Central's wrestling club began its workouts. Through the efforts of club members the squad grew to twenty-four, thus earning an opportunity to compete with other schools.

Wrestling is unique in its own way since it combines individual effort and team effort. It also provides competition for boys of all weights and sizes on an equal basis and provides a sport for those unable to participate in other sports.

The Indians won three matches and lost two as co-captains Ridler and Adams provided the moral support for each competitor. Individuals with winning records are: Larry Bennett (5-0), George Ridler (4-1), Paul Virtue (4-0), Lloyd Peters (4-1), Paul Adams (2-2), Tom Moore (3-1), and Bill Watkins (5-0).

The 1963 baseball team at Cambridge Central finished the spring with a 4-5 record, bettering the 3-6 mark of the previous year. On the mound, Darryl Decker pitched the entire season with John Flynn as his battery mate. The big bats for the Indians were Mickey McDonald, Allan Wallace (who hit a home run at Argyle), and Decker. Richie Eddy had the highest batting average with .309, and Decker batted in the most runs, 9. In the field, Eddy made several spectacular plays in left, and the Indians pulled off several double plays, three around "the horn."
